Dear Mr. Casadei:

On behalf of the Cooperative Board, I would like to express our appreciation for your generous donation of two iPad Mini 16GB and cases to HFM BOCES to be used by students in the Special Education PDD program. The donated items will be a great tool for our students and staff.

Please be advised that by donating these items, they are now the exclusive property of HFM BOCES and will not be returned to you in any working or non-working form.

We are, again, very grateful for your gift.

Sincerely,

Dr. Patrick Michel
District Superintendent
