Dear Mr. Cassidy,

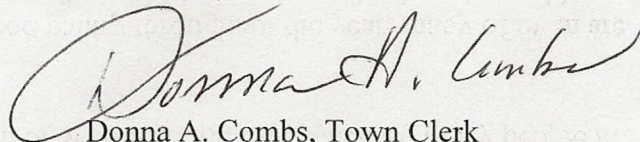

On behalf of the Warrensburg Food Pantry, thank you for your recent contribution of \$1000.00. Your kind gift will go far toward helping the Food Pantry provide local families who are hungry with meals as well as holiday meals for Thanksgiving and Christmas for families within the Town of Warrensburg, thus touching many people in our community.

We see many families at our food pantry throughout the year, many of them are people with young children who are struggling very hard to keep food on their tables and are very grateful for any help they receive.

We were able to provide three families complete Thanksgiving dinners last year, one to a single Mom with two little kids, one to a Mom and Dad with two children where the father is unable to work because he is struggling with Brain Cancer and one to a family of five who are not able to make ends meet because of recent circumstances. That is truly one of the things the Holidays are all about, because of your generosity we will be able to provide a decent Holiday meal again this year.

Thank you again.

Yours truly,

Donna A. Combs, Town Clerk
Warrensburg Food Pantry
